2016 ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD ON JUNE 29, 2016**

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “*Board*”) of Akari Therapeutics, Plc, a public limited company registered in England & Wales (“*Akari*” or the “*Company*”), for use at the Company’s 2016 Annual General Meeting of shareholders to be held at Marcus Beck Library, Royal Society of Medicine, 1 Wimpole Street, London, W1G 0AE on June 29, 2016, at 2:00 p.m. local time for the purpose of considering and, if thought fit, passing the resolutions specified in the Notice of Annual General Meeting. This proxy statement is being mailed to shareholders on or about May 16, 2016.

For a proxy to be effective, it must be properly executed and dated and lodged (together with a duly signed and dated power of attorney or other authority (if any) under which it is executed (or a notarially certified copy of such power of attorney or other authority)) at the offices of the Company’s registrars, SLC Registrars, 42 – 50 Hershaw Road, Walton-on-Thames, Surrey KT12 1RZ, United Kingdom (the “*Registrars*”) so as to be received by 2:00 p.m. local time on June 27, 2016. Each proxy properly tendered will, unless otherwise directed by the shareholder, be voted FOR the proposals subject to a binding vote, FOR the nominees described in this Proxy Statement and at the discretion of the proxy holder(s) with regard to all other matters that may properly come before the meeting.

The Company will pay all of the costs of soliciting proxies. We will provide copies of our proxy materials to the depository for our American Depositary Shares (Deutsche Bank Trust Americas), brokerage firms, fiduciaries and custodians for forwarding to beneficial owners and will reimburse these persons for their costs of forwarding these materials. Our directors, officers and employees may also solicit proxies; however, we will not pay them additional compensation for any of these services. Proxies may be solicited by telephone, facsimile, or personal solicitation.

Note Regarding our Recent Acquisition

On September 18, 2015, the Company (formerly known as Celsus Therapeutics, Plc) completed its acquisition of all of the capital stock of Volution Immuno Pharmaceuticals SA (“*Volution*”), from Pharma Limited (“*RPC*”), Volution’s sole shareholder, in exchange for ordinary shares, par value £0.01, (“*Ordinary Shares*”), of the Company (the “*Acquisition*”), in accordance with the terms of the Share Exchange Agreement, dated as of July 10, 2015, by and among the Company and RPC. In connection with the Acquisition, the name of the Company was changed to Akari Therapeutics, Plc. The Company’s American Depositary Shares (“*ADSs*”), each representing 100 Ordinary Shares, began trading on The NASDAQ Capital Market under the symbol “AKTX” on September 21, 2015.

Shares Outstanding and Voting Rights

Akari is registered in England & Wales and therefore subject to the Companies Act 2006 (the “*Companies Act*”), which, together with the Articles of Association of the Company (the “*Articles*”), governs the processes for voting at Annual General Meetings. There are a number of differences between English and U.S. law in relation to voting. At the Annual General Meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is demanded by (a) the chairman, (b) at least five shareholders entitled to vote at the meeting, (c) a shareholder or shareholders representing not less than one-tenth of the total voting rights of all shareholders having the right to vote at the meeting (excluding any voting rights attached to shares that are held as treasury shares) or (d) a shareholder or shareholders holding shares conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right (excluding any shares in the Company conferring a right to vote at the meeting that are held as treasury shares).

Only holders of record of our Ordinary Shares at the close of business on the day two business days prior to the date of the Annual General Meeting (the “*Record Date*”), are entitled to notice of and to vote at the Annual General Meeting. On the date of this notice, approximately 1,177,693,383 Ordinary Shares were issued and 1,172,754,200 were outstanding, of which approximately 1,172,734,200 were held in the name of

Deutsche Bank AG London, the nominee of Deutsche Bank Trust Americas (the “Depositary”), which issues Company-sponsored American Depositary Receipts (“**ADRs**”) evidencing ADSs which, in turn, each represent one hundred (100) Ordinary Shares. With respect to all matters to be voted on at the Annual General Meeting, each shareholder present has only one vote unless demand is made for a vote on a poll (in which case each shareholder gets one vote per ordinary share held). The presence, in person or by proxy, of at least two shareholders who hold shares as of the Record Date will constitute a quorum for the transaction of business at the Annual General Meeting. At any adjournment of the Annual General Meeting, if a quorum is not present within fifteen minutes from the time appointed for such meeting, one person entitled to be counted in a quorum present at the adjournment shall be a quorum.

Persons who hold Ordinary Shares directly on the Record Date (“**record holders**”) must return a proxy card or attend the Annual General Meeting in person in order to vote on the proposals. Persons who own Ordinary Shares indirectly on the Record Date through a brokerage firm, bank or other financial institution, including persons who own Ordinary Shares in the form of ADSs through the Depositary (“**beneficial owners**”), must return a voting instruction form to have their shares or the shares underlying their ADSs, as the case may be, voted on their behalf. Brokerage firms, banks or other financial institutions that do not receive voting instructions from beneficial owners may either vote these shares on behalf of the beneficial owners or return a proxy leaving these shares un-voted (a “**broker non-vote**”). ADR holders are not entitled to vote directly at the Annual General Meeting, but a deposit agreement dated as of December 7, 2012, as amended (the “**Deposit Agreement**”), exists between the Depositary and the holders of ADRs pursuant to which registered holders of ADRs as of April 29, 2016 (the “**ADR Record Date**”) are entitled to instruct the Depositary as to the exercise of voting rights pertaining to the Ordinary Shares so represented. The Depositary has agreed that it will endeavor, insofar as practicable, to vote (in person or by delivery to the Company of a proxy) the Ordinary Shares registered in the name of Deutsche Bank AG London, in accordance with the instructions of the ADR holders. In the event that the instruction card is executed but does not specify the manner in which the Ordinary Shares represented are to be voted (i.e., by marking a vote “FOR”, “AGAINST” or any other option), the Depositary will vote in respect of each proposal as recommended by the Board which is described in the Notice of Annual General Meeting. Instructions from the ADR holders must be sent to the Depositary so that the instructions are received by no later than 10:00 a.m. New York time on June 20, 2016 (the “**Instruction Date**”).

The Company has retained SLC Registrars to hold and maintain its register of members. SLC Registrars will be engaged by the Company to send proxy forms to all registered members appearing on that register and to take delivery of completed proxy forms posted to it in accordance with the details above.

Abstentions and broker non-votes will be counted for the purpose of determining the presence or absence of a quorum, but will not be counted for the purpose of determining the number of votes cast on a given proposal. The required vote for each of the proposals expected to be acted upon at the Annual General Meeting is described below:

Ordinary Resolutions

Proposal No. 1 — Receipt of Annual Accounts for the year ended December 31, 2015. This proposal will be approved if (i) on a show of hands, a majority of shareholders present in person or by proxy and voting on the proposal vote in favor of the resolution or (ii) on a poll, a majority of the shares present at the meeting in person or by proxy and voting on the proposal are voted in favor of the resolution. As a result, abstentions and broker non-votes will have no effect on the vote outcome.

Proposal Nos. 2 to No. 5 — Election and Re-election of Directors. Each director nominated for election or re-election is elected/re-elected if (i) on a show of hands, a majority of shareholders present in person or by proxy and voting on the proposal vote in favor of such director or (ii) on a poll, a majority of the shares present at the meeting in person or by proxy and voting on the proposal are voted in favor of such director. As a result, abstentions and broker non-votes will have no effect on the vote outcome.

Proposal No. 6 — Appointment of Independent Registered Public Accounting Firm. This proposal will be approved if (i) on a show of hands, a majority of shareholders present in person or by proxy and voting on the proposal vote in favor of the resolution or (ii) on a poll, a majority of the shares present at the meeting in

person or by proxy and voting on the proposal are voted in favor of the resolution. As a result, abstentions and broker non-votes will have no effect on the vote outcome.

We encourage you to vote by proxy by mailing an executed proxy card. By voting in advance of the meeting, this ensures that your shares will be voted and reduces the likelihood that the Company will be forced to incur additional expenses soliciting proxies for the Annual General Meeting. Any record holder of our Ordinary Shares may attend the Annual General Meeting in person and may revoke the enclosed form of proxy at any time by:

- executing and delivering to the corporate secretary, Robert M. Shaw, a later-dated proxy; or
- voting in person at the Annual General Meeting.

Beneficial owners of our Ordinary Shares and holders of ADSs representing our Ordinary Shares who wish to change or revoke their voting instructions should contact their brokerage firm, bank or other financial institution or the Depository, as applicable, for information on how to do so. Generally, however, beneficial owners of our Ordinary Shares and holders of ADSs representing our Ordinary Shares who wish to change or revoke their voting instructions may do so up until 10:00 a.m. New York Time on the Instruction Date. Beneficial owners who wish to attend the Annual General Meeting and vote in person should contact their brokerage firm, bank or other financial institution holding Ordinary Shares of Akari on their behalf in order to obtain a “legal proxy” which will allow them to both attend the meeting and vote in person. Without a legal proxy, beneficial owners cannot vote at the Annual General Meeting because their brokerage firm, bank or other financial institution may have already voted or returned a broker non-vote on their behalf. Record holders of ADSs representing our Ordinary Shares who wish to attend the Annual General Meeting and vote in person should contact the Depository (and beneficial owners wishing to do the same should contact their brokerage firm, bank or other financial institution holding their ADSs) to cause their ADSs to be cancelled and the underlying shares to be withdrawn in accordance with the terms and conditions of the Deposit Agreement so as to be recognized by us as a record holder of our Ordinary Shares.

MATTERS BEING SUBMITTED TO A VOTE OF AKARI SHAREHOLDERS

The Statutory Accounts will be made available for download on the Company's website (<http://www.akarix.com/corporate-governance/>) as soon as they are complete, and in any event, no later than 21 days prior to the Annual General Meeting. In addition, hard copies of the Statutory Accounts may be obtained, once they are complete, by contacting the Company's investor relations department at Akari Therapeutics, Plc at info@akarix.com. Shareholders present at the Annual General Meeting will have the opportunity to ask questions relating to the Statutory Accounts.

Allan Shaw, currently a Class A director is not up for re-election. Accordingly, immediately after the Annual General Meeting, if Proposal Nos. 2 through 5 are approved, our Board will be comprised of eight directors. Nomination of Directors

The Nominating and Corporate Governance Committee, which acts as the Company’s nominating committee, reviews and recommends to the Board potential nominees for election to the Board. In reviewing potential nominees, the Nominating and Corporate Governance Committee considers the qualifications of each potential nominee in light of the Board’s existing and desired mix of experience and expertise. In addition to these qualifications, the Nominating and Corporate Governance Committee recommends that the Board select persons for nomination to help ensure that (i) a majority of the Board shall be independent (in accordance with NASDAQ rules); (ii) each of the Company’s Audit, Compensation and Nominating and Corporate Governance Committees shall be comprised of independent directors; and (iii) at least one member of the Audit Committee shall qualify as an audit committee financial expert (as defined by SEC rules). In addition, the Nominating and Corporate Governance Committee considers whether the nominee has direct experience in the pharmaceutical, biotechnology or healthcare industries.

After reviewing the qualifications of potential Board candidates, the Nominating and Corporate Governance Committee presents its recommendations to the Board, which selects the final director nominees. Upon the recommendation of the Nominating and Corporate Governance Committee, each of James Hill, M.D. and Stuart Ungar, M.D. have been nominated for re-election as directors and David Byrne and Donald Williams have been nominated for election as directors.

The Nominating and Corporate Governance Committee considers shareholder nominees using the same criteria set forth above. Shareholders who wish to present a potential nominee to the Nominating and Corporate Governance Committee for consideration for election at a future annual general meeting of shareholders must provide the Nominating and Corporate Governance Committee with notice of the nomination and certain information regarding the candidate within the time periods set forth below under the caption “Shareholder Proposals.”

Akari Proposal No. 6: Appointment of Independent Registered Public Accounting Firm

On December 18, 2015, the Audit Committee of our board of directors engaged BDO AG as our independent registered public accounting firm and we dismissed Kost, Forer, Gabbay & Kasierer, a member of Ernst & Young Global as our independent registered public accounting firm. We stated in a Form 8-K filed with the SEC on December 24, 2015 that “for each of the two fiscal years ended December 31, 2013 and December 31, 2014 and in the subsequent interim period through December 18, 2015, there were no disagreements with Kost, Forer, Gabbay & Kasierer on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of Kost, Forer, Gabbay & Kasierer would have caused Kost, Forer, Gabbay & Kasierer to make reference to the matter in their report.”

On April 5, 2016, the Audit Committee of our board of directors engaged BDO USA, LLP as our independent registered public accounting firm and we dismissed BDO AG as our independent registered public accounting firm. We stated in a Form 8-K filed with the SEC on April 8, 2016 that “for the fiscal year ended December 31, 2015 and in the subsequent interim period through April 5, 2016, there were no disagreements with BDO AG on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of BDO AG would have caused BDO AG to make reference to the matter in their report.”

BDO AG served as our independent registered public accounting firm and audited our financial statements for the year ended December 31, 2015. BDO AG did not have and does not have any financial interest, direct or indirect, in our Company, and does not have and has not had any connection with our Company except in its professional capacity as our independent auditors.

Our Audit Committee has selected BDO USA, LLP, as our independent registered public accounting firm for the fiscal year ending December 31, 2016, and has further directed that we submit the selection of BDO USA, LLP for approval by our shareholders at the Annual General Meeting.

The Audit Committee reviews and pre-approves all audit and non-audit services performed by its independent registered public accounting firm, as well as the fees charged for such services. All fees incurred in fiscal 2015 for services rendered by BDO AG were approved in accordance with these policies. In its review of non-audit service fees, the Audit Committee considers, among other things, the possible impact of the performance of such services on the auditor’s independence. The Audit Committee has determined that the non-audit services performed by BDO AG in the fiscal year ended December 31, 2015 were compatible with maintaining the auditor’s independence. Additional information concerning the Audit Committee and its activities can be found in the following sections of this Proxy Statement: “Board Committees” and “Report of the Audit Committee.”

Representatives of BDO USA, LLP and BDO AG are expected to be available telephonically at the Annual General Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate shareholder questions.

CORPORATE GOVERNANCE

Director Independence

Under Rules 5605 and 5615 of the NASDAQ Marketplace Rules, a majority of a listed company's board of directors must be comprised of independent directors within one year of listing. In addition, NASDAQ Marketplace Rules require that, subject to specified exceptions, including certain phase-in rules, each member of a listed company's audit, compensation and nominating and governance committees be independent and that audit committee members also satisfy independence criteria set forth in Rule 10A-3 under the Exchange Act. Under Rule 5605(a)(2) of the NASDAQ Marketplace Rules, a director will only qualify as an "independent director" if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Based upon information requested from and provided by each director concerning their background, employment and affiliations, including family relationships, our board of directors has determined that Messrs. Byrne, Cohen and Williams, Dr. Hill and Dr. Ungar are independent under the applicable rules and regulations of the NASDAQ Stock Market. Our board of directors also determined that Mr. Cohen, Dr. Hill and Dr. Ungar, who comprise our Compensation Committee; and Mr. Cohen, Dr. Hill and Dr. Ungar, who comprise our Nominating and Governance Committee, all satisfy the independence standards for such committees established by the SEC and the NASDAQ Marketplace Rules, as applicable. Our Audit Committee currently consists of three members, appointed by the board of directors: Mr. Shaw, Dr. Hill and Mr. Byrne, all of whom are independent within the meaning of SEC corporate governance rules of independence for purposes of the Audit Committee. In making such determinations, our board of directors considered the relationships that each such non-employee director has with our company and all other facts and circumstances the board of directors deemed relevant in determining their independence.

Code of Ethics

We have adopted a code of ethics that applies to all of our employees, including our chief executive officer and chief financial and accounting officer. The text of the code of conduct is posted in the "Investor Relations" section of our website at www.akaritx.com. Disclosure regarding any amendments to, or waivers from, provisions of the code of conduct that apply to our directors, principal executive and financial officers will be included in a Current Report on Form 8-K within four business days following the date of the amendment or waiver, unless website posting or the issuance of a press release of such amendments or waivers is then permitted by the rules of the NASDAQ stock market.

Limitations on Liability and Indemnification Matters

To the extent permitted by the Companies Act 2006, we shall indemnify our directors and officers against any liability. We maintain directors and officers insurance to insure such persons against certain liabilities.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us under the foregoing provisions, we have been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and therefore is unenforceable.

CERTAIN RELATIONSHIPS AND RELATED-PARTY TRANSACTIONS

Pursuant to our audit committee charter, the audit committee is responsible for reviewing and approving, prior to our entry into any such transaction, all transactions in which we are a participant and in which any parties related to us have or will have a direct or indirect material interest.

The following discloses, since January 1, 2014, certain related party transactions involving us.

Prior to the Acquisition, the law firm of Pearl Cohen Zedek Latzer Baratz LLP, or PCZL, represented us in intellectual property and commercial matters, and since the Acquisition, PCZL does not represent the Company. Mark Cohen, the former Chairman and current Vice Chairman of our board of directors, is a senior partner in PCZL. PCZL charged us for services it rendered prior to the Acquisition on an hourly basis and expenses incurred. For the years ended December 31, 2015 and 2014, we received invoices from PCZL for services rendered and expenses of third parties incurred for approximately \$352,000 and \$749,000, respectively, and made payments to PCZL of approximately \$451,361 and \$960,409, respectively.

On September 18, 2015, pursuant to the terms of a Securities Exchange Agreement, we sold an aggregate of 1,055,600 of our Ordinary Shares to Mark Cohen, the Vice Chairman of our board of directors, at price of \$0.18945 per share, for total gross proceeds of \$199,983.42.

Share Exchange Agreement

Pursuant the terms of the Share Exchange Agreement, dated as of July 10, 2015 (the "*Exchange Agreement*") by and between us and RPC Pharma Limited ("*RPC*"), on September 18, 2015, RPC exchanged all of the capital stock of Volution Immuno Pharmaceuticals SA ("*Volution*") for 722,345,600 of our Ordinary Shares.

Under the terms and subject to the satisfaction of the conditions described in the Exchange Agreement, we acquired the entire issued share capital of Volution, with Volution becoming our wholly-owned subsidiary on September 18, 2015. Following the Acquisition, the name of the combined company was changed from Celsus Therapeutics, Plc to Akari Therapeutics, Plc.

Lock-Up Agreement

As a condition to the closing of the Acquisition, RPC agreed to enter into a lock-up agreement, pursuant to which RPC agreed not to sell or transfer, or engage in swap or similar transactions with respect to, our Ordinary Shares, including, as applicable, shares received in the Acquisition and issuable upon exercise of certain warrants and options from the completion of the Acquisition until 180 days from the completion of the Acquisition.

Relationship Agreement

As a condition to the closing of the Acquisition, we and RPC entered into a Relationship Agreement, which provided, subject to closing of the Acquisition, the right for RPC to appoint the following number of directors to our board of directors in relation to the percentage of our Ordinary Shares held in aggregate by RPC from time to time: (i) two class A directors if RPC holds 25% or more of our Ordinary Shares; (ii) one class A director if RPC holds 10% or more but less than 25% of our Ordinary Shares; and (iii) no directors if RPC holds less than 10% of our Ordinary Shares.

Additionally, where such right to appoint a director falls away, RPC is obliged to procure the resignation of the relevant director as soon as practicably possible thereafter at no cost to us. Unless otherwise agreed by our board of directors, the directors appointed by RPC shall be class A directors.

Volution's Related Party Transactions

Pursuant to short term loan agreements entered into with Ray Prudo, the Chairman of our board of directors, on October 15, 2014 and November 10, 2014, Volution borrowed an aggregate of approximately \$405,018 from Ray Prudo at an interest rate of 4.5% per annum. Volution repaid Ray Prudo the entire principal amount outstanding, plus interest in the amount of approximately \$4,052, on April 17, 2015.

On July 3, 2015, under the terms of a contribution agreement among RPC and the shareholders of Volution, the Volution shareholders contributed all of their Volution shares to RPC, which resulted in Volution becoming a wholly owned subsidiary of RPC.

Volution and certain shareholders of Volution, including Ray Prudo who is the Chairman of our board of directors and a director of both Volution and RPC, entered into a working capital advance agreement, pursuant to which such shareholders agreed to make available up to \$4,000,000 in the aggregate, to Volution for working capital purposes. All amounts advanced under the agreement accrued interest at a rate of 3% per annum and matured shortly after completion of the Acquisition.

DIRECTOR COMPENSATION

Our director compensation program is administered by our board of directors with the assistance of the compensation committee. The compensation committee conducts an annual review of director compensation and makes recommendations to the board with respect thereto.

Based on the recommendation of our compensation committee, our board of directors adopted a non-employee director compensation policy on November 19, 2015. Under the new policy, our non-employee directors will be compensated for service on our board of directors as follows in 2016:

- an annual retainer for service on the board of directors of \$36,000;
- an annual retainer for service a member of the audit committee, compensation committee, nominating and governance committee and the research and development committee of \$5,000;
- for the chairman and vice chairman of the board; and each of the chairpersons of the compensation committee, nominating and governance committee and the research and development committee, an annual retainer of \$10,000;
- for the chairperson of the audit committee, an annual retainer of \$15,000;
- for service on the board of directors, an annual grant of a stock option to purchase 1,300,000 ordinary shares, at an exercise price equal to the fair market value of the Company's ordinary shares on the date of grant, which option shall vest in one year on the anniversary of the date of grant subject to the non-employee director's continued service on the board of directors, unless otherwise specified by the board of directors or the compensation committee at the time of grant; and
- for each new non-employee director that is appointed to the board of directors, an initial grant of a stock option to purchase 1,300,000 ordinary shares, at an exercise price equal to the fair market value of the Company's ordinary shares on the date of grant, which option shall vest ratably over three years in three equal installments on the anniversary date of grant beginning on the first anniversary, subject to the non-employee director's continued service on the board of directors unless otherwise specified by the board of directors or the compensation committee at the time of grant.

Each of these options shall be granted under our Plan, terminate ten years after the grant date and become fully vested immediately prior to a change of control. The policy also provides that directors may elect, in lieu of annual cash payments, to receive, in part or in full, fully-vested ordinary shares equal to the dollar-value of the non-cash portion of their annual compensation, calculated in accordance with FASB Accounting Standards Codification ASC 718, "Share-Based Payment" on the payment date.

All directors are eligible to receive reimbursement for reasonable out-of-pocket expenses incurred in connection with attendance at meetings of our board of directors, and our non-employee directors are also eligible to receive reimbursement, upon approval of the board of directors or a committee thereof, for reasonable out-of-pocket expenses incurred in connection with attendance at various conferences or meetings with our management.

Until November 19, 2015, our policy was the same as our 2016 policy except that the annual retainer for service on the board of directors was \$25,000, there was no annual retainer for service as a member of the audit committee, compensation committee, nominating and governance committee or the research and development committee, the chairperson of the audit committee received an annual retainer of \$10,000, there was no annual stock grant for service on the board of directors and the annual stock grant for chairpersons of the committees was 20,000 ordinary shares. The following table sets forth information regarding the total compensation awarded to, earned by or paid to each of our non-employee directors during the year ended December 31, 2015 for their service on our board of directors. Dr. Roshwalb, our chief executive officer, did not receive any additional compensation for his service as a director during 2015. The compensation that we pay to Dr. Roshwalb is discussed under “Executive Compensation” below.

SHAREHOLDER PROPOSALS

Pursuant to Rule 14a-8 under the Securities and Exchange Act of 1934, as amended, shareholder proposals intended to be included in the 2017 Annual General Meeting proxy materials must be received by the Secretary of the Company no later than January 23, 2017, or otherwise as permitted by applicable law (the “*Proxy Deadline*”); *provided, however*, that if the 2017 Annual General Meeting date is advanced or delayed by more than 30 days from the anniversary date of the 2016 Annual General Meeting, then shareholders must submit proposals within a reasonable time before the Company begins to print and send its proxy materials. Proposals received after this timeframe will not be included in the Company’s proxy materials for the 2017 Annual General Meeting. The form and substance of these proposals must satisfy the requirements established by the Company’s Articles, the Nominating and Corporate Governance Committee charter and the SEC, and the timing for the submission of any such proposals may be subject to change as a result of changes in SEC rules and regulations.

Under the Companies Act, in order for a shareholder proposal to be presented at an Annual General Meeting, such proposal must have been requisitioned either by shareholders representing 5% of the voting rights of all members having a right to vote on such proposal at the Annual General Meeting or by at least 100 shareholders who have a right to vote on such proposal at the relevant Annual General Meeting and who hold shares in the Company on which there has been paid up an average sum, per member, of at least £100. Such proposal must have been signed or otherwise authenticated by all requisitionists and submitted to the Company not later than (1) six weeks before the Annual General Meeting to which the requests relate, or (2) if later, the time at which notice of that meeting is given by the Company.

Additionally, shareholders who intend to nominate a director to be elected at the 2017 Annual General Meeting must provide the Secretary of the Company with written notice of such nomination between 7 and 42 days prior to the date of such meeting, together with written notice signed by the director nominee regarding his or her willingness to be elected. Any shareholder seeking to recommend a director candidate or any director candidate who wishes to be considered by the Nominating and Corporate Governance Committee, the committee that recommends a slate of nominees to the Board for election at each annual general meeting, must also provide the Secretary of the Company with: the name and address of the shareholder seeking to recommend a director candidate; a representation that the shareholder is a record holder of the Company’s securities (or, if the shareholder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Exchange Act); the name, age, business and residential address, educational background, current principal occupation or employment for the preceding five full fiscal years of the proposed director candidate; a description of the qualifications and background of the proposed director candidate, which addresses the minimum qualifications and other criteria for Board membership approved by the Board from time to time; a description of all arrangements or understandings between the shareholder and the proposed director candidate; the consent of the proposed director candidate to be named in the Proxy Statement relating to the Company’s annual general meeting and to serve as a director if elected at such annual general meeting; and any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to SEC rules, if then required. The Nominating and Corporate Governance Committee will consider all director candidates who comply with these requirements and will evaluate these candidates using the criteria described above under the caption, “Nomination of Directors.” Director candidates who are then approved by the Board will be included in the Company’s proxy statement for that annual general meeting.
